DEDICATION

Carolyn Brooks

For 25 years, since she became a supervisor of the checklist in 1972, Carolyn Brooks has served to maintain the integrity of the election process. She and the other two members yearly maintain the list of registered voters, devoting hours to an unsung duty. Carolyn follows the footsteps of her father, Richard Goss, and her grandfather, Walter Goss.

In addition to her duties as supervisor she also serves as chairman of the body. For a number of years, Carolyn has also devoted hours to responsibilities as recording secretary of the planning and zoning boards.

For countless hours of service to the Town of North Hampton, Carolyn Brooks is saluted.

Selectmen's Report to the Town

This year the town was able to realize its goal of bringing its financial calendar into a prepayment mode. In so doing we were able to return \$1.7 million to the taxpayers, we are grateful for the legislative help from Senator Bruce Keough and Representative George Rubin to accomplish this feat.

The re-evaluation of the town was completed, too late to be incorporated in '96-'97, but will be updated to April '97 and released 1 July '97 for use in next fiscal year.

The Code of Ethics and Conduct for all town officials was formally adopted by the town this year and is now incorporated as part of the oath of office.

The bandstand was completed and gifted to the town by the Bandstand Committee, followed by a series of performances enjoyed by many.

R.S.A. 40:13 (SB2) a law permitting balloting on the operating budgets of the town failed to pass by a super majority and will be reconsidered this year.

The capping of the Coakley Landfill has begun. This coming year should bring that project to completion at last.

All in all it was a good year.

Respectfully submitted,

Dick J. Wollmar, Chair
Mary B. Herbert
Richard P. Crowley

REPORT OF THE ANNUAL TOWN MEETING
THE TOWN OF NORTH HAMPTON, NEW HAMPSHIRE
MARCH 16, 1996

A meeting was held of the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in town Affairs on the 16th day of March 1996.

The Moderator Paul S. Cuetara called the meeting to order at 9:00 A.M. On the 16th day of March 1996. Moderator Cuetara asked that everyone rise for the Pledge of Allegiance. Moderator Cuetara introduced himself, the Town Clerk, her assistant Debra Eaton and Richard Crowley, Chairman of the Board of Selectmen. Mr. Crowley introduced the members of the Board of Selectmen, Mary Herbert and Dick Wollmar. Mary Herbert then recognized Beverley Frenette, and thanked her for her hard work. Mr. Crowley then introduced Jack Steiner, Chairman of the Budget Committee. Moderator Cuetara recognized that this is Mr. Steiner's last year on the Budget Committee. Moderator Cuetara stated the protocol for the meeting and rules that would apply.

Article I.

Richard Crowley moved that the Article be accepted as read, and was seconded.

VOTE BY SHOW OF HANDS -- ARTICLE PASSED

ARTICLE IV. Tax Lien Redemption Notes

To see if the Town will vote to authorize the Selectmen to issue tax lien redemption notes in accordance with RSA 33:7-d.

Mary Herbert moved that the Article be accepted as read, and was seconded.

VOTE BY SHOW OF HANDS -- ARTICLE PASSED

ARTICLE V.

(ON THE OFFICIAL BALLOT)

Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town?

Yes 568

No 452

ARTICLE DEFEATED

(This Article required a 3/5ths vote)

ARTICLE VI.

(RECOMMENDED BY THE BUDGET COMMITTEE)

To see if the Town will vote to approve the cost item included in the collective bargaining agreement reached between the Town of North Hampton and the International Association of Firefighters Local 3211 which calls for the following increases in salaries and benefits:

Year	Estimated Increase
1996-97	\$15,500
1997-98	9,500
1998-99	9,600

And farther to raise and appropriate the sum of \$15,500 for the 1996-97 fiscal year, such sum representing additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

Dick Wollmar moved that the Article be accepted as read, and was seconded. Discussion followed.

VOTE BY SHOW OF HANDS -- ARTICLE PASSED

ARTICLE VII.

(RECOMMENDED BY THE SELECTMEN AND THE BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate \$12,000 for the Fire Department Apparatus Capital Reserve Fund and to be funded from the fund balance as of June 30, 1996.

Mary Herbert moved that the Article be accepted as read, and was seconded. Discussion followed.

VOTE BY SHOW OF HANDS -- ARTICLE PASSED

ARTICLE VIII.

(RECOMMENDED BY THE SELECTMEN AND BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate the sum of \$7,500 for the Town's Recreation Department for a Capital Reserve Fund to be used for repairs and refurbishing of the Town's tennis courts.

Jill Brandt moved that the Article be accepted as read, and was seconded. Discussion followed.

VOTE BY SHOW OF HANDS -- ARTICLE PASSED

ARTICLE IX.

To see if the Town will vote to authorize and appropriate \$22,000 to be deposited to the Coakley Capital Reserve Fund #11 and to be funded from the fund balance as of June 30, 1996.

Mary Herbert moved that the Article be accepted as read, and was seconded.

Mary Herbert asked that the Article be amended to read: To see if the Town will vote and appropriate \$22,000 with accumulated interest to the date of withdrawal to be deposited to the Coakley Capital Reserve Fund #11 and to be funded from the fund balance as of June 30, 1996. The Amendment was seconded.

VOTE BY SHOW OF HANDS -- ARTICLE PASSED

ARTICLE XII.

Do you favor the Code of Ethics as adopted by the Board of Selectmen for all elected and appointed Town Officials and employees including the school?

TOWN OF NORTH HAMPTON, N.H.

RESOLUTION

APRIL 10

In the year of Our Lord One Thousand nine hundred and ninety-five

A RESOLUTION RELATIVE TO A CODE OF ETHICS

WHEREAS, Municipal employment, elected or appointed, as a position of public trust, carries with it a duty to keep the public welfare as its primary focus; and

WHEREAS, public confidence in and respect for all public officials, members, employees and volunteers is to be expanded and retained through (a) the fair, impartial and equal treatment under the law of each citizen; and (b) the avoidance by officials of conflicts of personal interests and the public interest, whether they be actual or (merely) potential; and

WHEREAS, the Board of Selectmen acknowledges that a Code of Ethics for town officials, members, employees, and volunteers will serve as a guide for the appropriate conduct of all those engaged in municipal government, any elected public body or appointed personal of the Town, shall honor the Public Trust allowed them when he or she was elected or appointed to their respective position by making an honest effort to refrain from making any innuendos, inferences, derogatory remarks to any individual present or absent at any meeting of a public body, or question his or her integrity or intelligence; and

NOW, THEREFORE be it resolved that all town officials, members, employees, volunteers, boards and commissions whether paid for unpaid, appointed or elected should conduct themselves in accordance with this Resolution.

CODE OF ETHICS

Section I. DEFINITIONS:

- 1.1 Official or Employee- any person serving in a public office or a public body of the Town, whether paid or unpaid, appointed or elected, full-time or part-time.
- 1.2 Public Body- office, department, commission, committee, agency or board of the Town.
- 1.3 Interest- any privilege, profit, gain or advantage one stands to receive if certain actions or events occur.
 - a). Financial Interest- any interest which, either directly or indirectly, promotes or obtains a monetary or material benefit due to its exercise (other than the authorized salary for public service to the Town) to the official or employee, the immediate family of the official or employee, or to anyone retaining the services of the official or employee.
 - b). Personal Interest- any interest created due to blood, marriage, close business relationships, political associations, or household residence (either relatives or live in boyfriends or girlfriends) regardless of whether or not a financial interest is involved.
 - c). Immediate Family- immediate family encompasses spouses, dependents, anyone residing in the person's household and anyone who, by virtue of blood or marriage, is such a direct relation as to be a parent, child, grandparent, grandchild, brother, sister or in-law.
 - d). Pecuniary Interest- any advantage in the form of money, property, commercial interest or anything else, the primary significance of which is economic gain; it does not include economic advantage applicable to the public generally, such as tax reduction or increased prosperity generally.
- D. Disclosure- the revelation of secretly known information that would either bias or change the result of a municipal decision if not fully admitted. Disclosure must be public and must be confirmed in writing. Where appropriate and where time permits, disclosure is to be made to the Board of Selectmen, both orally and in writing, before the public body with jurisdiction meets on the matter.
- E. Construction- the use of "he" or any other pronoun is to be considered a neutral term, not designating a particular gender but applicable to all persons in general.

Section II. FAIR AND EQUAL TREATMENT:

All municipal officials, employees and agents shall give each and every person fair and equal treatment. No official, employee or agent shall give any person special consideration, advantage or favor as a result of public status, wealth, position, religious, family, personal or financial interest.

Section III. CONFLICTS OF INTEREST:

- 3.1 Financial and Personal Interest. No person serving in a public position shall have, either for himself or for an immediate family member or for any other person, any personal, financial or pecuniary interest in any business, contract, or other transaction with any public body without the complete prior disclosure to the Board of Selectmen showing the full extent and nature of his interest.
- 3.2 Disclosure and Disqualification. No public official shall advise, deliberate and/or vote on any matter in which he holds any interest, whether it be personal, financial or pecuniary, and must publicly disclose to the public body with jurisdiction the nature and extent of that interest, and must disqualify himself from advising, deliberating and/or voting on the matter.
- 3.3 Incompatible Employment. No official or employee shall be active in private employment with, or render services for, any private citizen, immediate family member or household member having business contracts or transactions with any public body unless and until he publicly and fully discloses the nature and extent of his interest.
- 3.4 Representations of Private Persons. No person serving in a public position shall represent any private citizen other than himself or an immediate family member before any public body of the Town without disclosure.
- 3.5 Gifts and Favors. No gifts, whether they be money, favors, things, loans or promises, are to be accepted by any public official, employee or board member while acting in his capacity as a public servant of the Town.
- (a) Exceptions. Any discounts provided to a whole class which has been appropriately authorized by the Board of Selectmen, and three other exceptions: 1. unsolicited advertising or promotional materials of a nominal intrinsic value such as pens and calendars; 2. awards for meritorious civic service contributions; 3. unsolicited consumable (excepting alcoholic beverages) items that are donated to an entire work group during holidays, and are consumed on the premises.

- (b) Election Contributions. This section shall not apply election contributions or other gifts given to any person running for public office in accordance with applicable Federal and State Law.

- 3.6 Confidential Information. No public official or employee shall disclose any confidential information regarding any other official employee, board member, commission member, person, property or governmental affairs of the Town unless and until prior approval by the public body having jurisdiction or the Board of Selectmen permits disclosures.

Regardless of whether disclosure is involved, no official or employee shall allow or use any confidential information to advance his own personal gain or that of any other person.

3.7 Nepotism.

- (a) Public Officials and Boards. No person serving in a public position shall appoint or vote for appointment of any person in his/her immediate family to any public position. If a proposed appointee is a member of the immediate family of any Board Member that member shall remove himself/herself completely from the appointment process.
- (b) Public Employment by Department Heads. When employing the members of the immediate family, town public policy makes the appearance of fairness and conformity with town policy mandatory. Thus, full time employment of immediate family members shall not be approved if another member would have the practical authority to appoint, evaluate, supervise or discipline the other. If a need arise for part time or seasonal employment by a department, then any proposal to employ a member of the Department Head's immediate family shall be subject to prior approval by a majority of the Board of Selectmen. The Selectmen and Department Heads shall insure that the interest of the community and fairness to all seeking employment are the primary considerations.

- 3.8 Voting. No town board of commission member, employee or authority is permitted to vote on appointment of a person with or in whom he has a personal or financial interest.

Section IV. CRIMINAL LIABILITY:

New Hampshire law provides that a person is guilty of a Class B felony if he either offers or accepts a bribe while acting as a public servant. In addition, a public servant may also be guilty of a Class B felony if he fails to report any bribes offered him while in the course of public service.

CONDUCT OF NORTH HAMPTON PUBLIC OFFICIALS

(a) Definition as used in this policy:

1. Town public official means an individual who is employed by North Hampton either part time or full time as an appointed, elected or classified employee.
2. Public body means any Town governmental agency, board, body, council, commission or department.
3. Interest means a direct, personal and pecuniary interest, individually or on a client's behalf, in a matter which is under consideration by the governmental body of which the public official is a member.
4. Client means any individual or entity with which a public official has a professional, contractual relationship.

(b) No Public Official shall:

1. participate in any hearing, debate, discussion or vote, or in any manner otherwise attempt to influence the outcome of a matter in which he or she has an interest;
2. utilize information obtained in such capacity for his or her own personal benefit or that of his or her clients or the clients of the organization with which the public official is associated;
3. appear on behalf of a client before any governmental body of which the public official is a member or whose members have been appointed by the governmental body of which the public official is a member;
4. accept anything of value from any person or organization when the public official knows or reasonably should know that the offer is for the purpose of influencing the public official's actions or decisions;
5. use his or her official position to influence or to attempt to influence any governmental body to act in favor of the public official or the public official's clients or clients of the organization with which the public official is associated.

(c) Other individuals in the organization with which the public official is associated may not appear on behalf of the clients before the governmental body of which the public official is a member, or any governmental body whose members have been appointed by the body of which the public official is a member, unless the public official publicly

disqualifies himself or herself and refrains from participation in the matter in accordance with paragraph (b:1) of this policy, and otherwise conducts himself or herself with respect to the matter in accordance with paragraph (b).

Section V. IMPLEMENTATION.

To facilitate conduct in accordance with this resolution, a copy of this Resolution shall be made available to town officials, employees, volunteers, boards, and commissions upon hiring, appointment, or election to office and at such other times as may be necessary.

This Resolution shall take effect upon its passage.

Date: April 10, 1995

Moderator Cuetara noted that the words "including the school" should be stricken due to legality, and was seconded by Richard Crowley. Moderator Cuetara then proposed that everyone read the Code of Ethics to themselves to assure that everyone understood. Mr. Douglas Fineberg moved that the Article be amended to add the words "including the school" back in, and was called out of order. Bob Dunkle moved that the reading of the Code of Ethics be suspended, and was seconded.

VOTE BY SHOW OF HANDS -- MOTION PASSED

VOTE BY SHOW OF HANDS -- ARTICLE PASSED

ARTICLE XIII.

(RECOMMENDED BY THE BUDGET COMMITTEE)

The Article as moved to be accepted as read, was seconded. Mr. Steiner began reading the budget line by line. Mr. Forti moved that there be an amendment of Account #4210 police to the amount recommended by the Selectmen, and was seconded. Discussion followed.

VOTE BY SHOW OF HANDS -- AMENDMENT DEFEATED

Mary Herbert moved that there be an amendment to Account #4240 Building Inspection to increase the amount by \$10,000 making the total \$28,206 and was seconded. Discussion followed.

VOTE BY SHOW OF HANDS -- AMENDMENT PASSED

Mary Herbert moved that there be an amendment to Account #4721 Interest-Long Term Bonds & Notes to \$34,247, and was seconded.

VOTE BY SHOW OF HANDS -- AMENDMENT PASSED

Moderator Cuetara then moved the Master Article to a Vote, stating that the new amount, including any amendments to be: \$2,362,098.

VOTE BY SHOW OF HANDS -- ARTICLE XIII. MASTER ARTICLE PASSED

ARTICLE XIV.

To transact any other business that may legally come before this meeting. Mr. Fineberg made the following resolution: "Whereas the citizens of the Town of North Hampton have expressed their approval of the implementation of a Town wide Code of Ethics, and as an expression of their intent, do urge and request the School District to adopt the same Code of Ethics at the school's Annual Meeting. Resolution was seconded. Discussion followed.

VOTE BY SHOW OF HANDS -- RESOLUTION PASSED

Dick Wollmar spoke to the audience stating his dismay at the way the campaign to elect various officers was run. He expressed his hope that future elections would be handled in a more professional and less personal manner.

Moderator Cuetara thanked the audience for his tenure as Moderator. He then adjourned the meeting at 11:00 A.M.

Respectfully submitted,
Delores J. Chase
Town Clerk

The superintendent of the cemeteries and the Trustees would like to extend their thanks to Boy Scout troop 162 for the excellent job they did in the clean up of the Exeter Road Cemetery . This was part of a one-hundred man hour community service project that was a requirement for donations given towards their trip to Florida Seabase last summer as well as hours needed towards rank advancement. The project was coordinated by Matthew Sturtevant, Senior Patrol Leader with assistance from Pat Sturtevant, Danny Hansen, Jim Booth, Tim Ganotis, Nathan Tharp, Ben Spead, David Pacheco, Lance Schermerhorn, Willy Schultz, Kevin Marshall, Justin Svirsky and John Gorskowski.

Report of the Library Director

Library circulation increased this fiscal year by 4% over last year's circulation to 38,173 items loaned, or more than 10 items per resident!. We issued 182 cards to new patrons and provided more than 50 programs for children and adults, with more than 500 people in attendance.

Books were donated this year in memory of Yvonne Crapo, Mary McDermott, Pauline Goldsmith, John Erwin, and Celia Supovitz. We thank those who made these special memorial donations and encourage others to remember their loved ones with a gift to the Library.

We would also like to thank the Friends of the Library for their help and support. Through activities such as the Soup Luncheon, the wine tasting dinners and garden tours, they have raised funds for museum passes, for special children's programs, and for essential Library equipment.

This has been a year of continuing progress toward our goal of automating the Library's catalog and circulation. Volunteers, to whom we are extremely grateful, have been barcoding books and, more recently, creating the computer database of titles in our collection. The children's librarian and I have attended workshops and meetings to learn about and to evaluate library computer systems. Staff members have also been learning about computers, particularly our CD-ROM workstation, so that our patrons may use it easily.

Our ultimate goal remains, as it has always been, to provide the information and titles our patrons need, in whatever format they require. We will keep up with new technologies as they appear, and blend what is most useful of the new with what has continued value from the past.

Financial Report of the Trustees for the Fiscal Year ended June 30, 1996

L.S.

To the Inhabitants of the Town of North Hampton in the County of Rockingham, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall on Atlantic Avenue, in said North Hampton on Tuesday, the 11th day of March, 1997 at 8 a.m. in the morning for the purpose of voting only, polls to close at 7 p.m. Business meeting to begin at 8:30 a.m. in the morning, Saturday, March 15, 1997 at the North Hampton School Gym on Atlantic Avenue; to act upon the following subjects:

ARTICLE I.

To choose one Selectman for a term of three years, one Town Treasurer, one Collector of Taxes and all necessary Town Officers for the ensuring years.

ARTICLE II.

To see if the Town will vote to authorize the Town Treasurer to borrow money in anticipation of taxes.

ARTICLE III.

To see if the Town will vote to accept the reports of the Town Officers.

ARTICLE IV. TAX LIEN REDEMPTION NOTES

To see if the Town will vote to authorize the Selectmen to issue tax lien redemption notes in accordance with R.S.A. 33:7-d.

ARTICLE V.

(ON THE OFFICIAL BALLOT)

Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town?

ARTICLE VI.

(ON THE OFFICIAL BALLOT)

Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows:

To see if the Town will vote to amend Article IV, District Regulations of the Zoning Ordinance by adding a new Section 415 to read as follows:

"Section 415 Wireless Telecommunications Facilities

415.1 Definitions

Alternative Tower Structure: Shall mean innovative siting techniques that include man-made trees, clock towers, bell steeples, light poles, and similar alternative-design mounting structures that camouflage or conceal the presence of antennas or towers.

Antenna: Shall mean any exterior apparatus designed for telephonic, radio, television, personal communications service (PCS), pager network, or any other communications through the sending and/or receiving of electromagnetic waves of any bandwidth whether it be integral to a tower, microwave or satellite dish structure.

Dish: Shall mean any parabolic or spherical microwave antenna reflecting surface structure used for telecommunications.

FAA: Shall mean the Federal Aviation Administration.

FCC: Shall mean the Federal Communications Commission.

Height: Shall mean, when referring to a tower or other structure, the distance measured from ground level to the highest point on the tower or other structure, even if said highest point is an antenna.

Preexisting Towers, Antennas and Dishes: Shall mean any tower, antenna or dish lawfully constructed or permitted prior to the adoption of this ordinance. Shall also mean any tower or antenna lawfully constructed in accordance with this ordinance that predates an application currently before the Board.

Tower: Shall mean any structure that is designed and constructed primarily for the purpose of supporting one or more antennas, including self-supporting lattice towers, guy towers, or monopole towers. The term includes radio and television transmission towers, microwave towers, common-carrier towers, cellular telephone towers, alternative tower structures, and the like.

Wireless Telecommunications Facilities: Shall mean any antenna, tower, or other structure which is intended for use in connection with the transmission or reception of radio or television signals or any other electromagnetic spectrum-based transmissions/receptions.

415.2 Purpose

These regulations have been enacted in order to establish general guidelines for the siting of towers and antennas and to enhance and fulfill the following goals:

- A. Preserve the authority of the Town of North Hampton to regulate and to provide for reasonable opportunity for the siting of wireless telecommunications facilities, by enhancing the ability of providers of wireless telecommunications services to provide such services to the community quickly, effectively, and efficiently.
- B. Reduce adverse impacts such facilities may create, including, but not limited to; impacts on aesthetics, environmentally sensitive areas, historically significant locations, flight corridors, health and safety by injurious accidents to person and property, and prosperity through protection of property values.
- C. Provide for co-location and minimal impact siting options through an assessment of technology, current locational options, future available locations, innovative siting techniques, and siting possibilities beyond the political jurisdiction of the Town.
- D. Permit the construction of new towers only where all other reasonable opportunities have been exhausted, and to encourage the users of towers and antennas to configure them in a way that minimizes the adverse visual impact of the towers and antennas.
- E. Require cooperation and co-location, to the highest extent possible, between competitors in order to reduce cumulative negative impacts upon North Hampton.
- F. Provide constant maintenance and safety inspections for any and all facilities.
- G. Provide for the removal of abandoned facilities that are no longer inspected for safety concerns and code compliance. Provide a mechanism for the Town to remove these abandoned towers to protect the citizens from imminent harm and danger.
- H. Provide for the removal or upgrade of facilities that are technologically outdated.

415.3 Wireless Telecommunications Facilities District and Map

The Wireless Telecommunications Facility District shall be an overlay district consisting of all land within 1000 feet of the center of the median of Interstate 95 and all unrestricted Town-owned lands within North Hampton. Historic sites are specifically excluded from this district. This overlay district is shown on the Wireless Telecommunications Facilities District Map, which is adopted as an amendment to the North Hampton Zoning Map.

415.4 Permitted Uses Within the Wireless Telecommunications Facilities District

In addition to the uses permitted in the underlying zoning districts under Section 405, wireless telecommunication facilities are a permitted use within the Wireless Telecommunications Facilities District only after obtaining a Conditional Use Permit, as provided for in Section 415.7. All such uses must comply with other applicable ordinances and regulations of the Town of North Hampton (including Site Plan Review Regulations).

- A. **Principal or Secondary Use.** Antennas and towers may be considered either principal or secondary uses. Having an existing-permitted use on site shall not preclude the addition of Telecommunications facilities as a secondary use as long as all other provisions of this ordinance are met. A different existing use or an existing structure on the same lot shall not preclude the installation of an antenna or tower on such lot. For purposes of determining whether the installation of a tower or antenna complies with district development regulations, including but not limited to set-back requirements, lot-coverage requirements, and other such requirements, the dimensions of the entire lot shall control, even though the antennas or towers may be located on leased parcels within such lots. Towers that are constructed, and antennas that are installed, in accordance with the provisions of this ordinance shall not be deemed to constitute the expansion of a nonconforming use or structure.
- B. **Height Requirements.** These requirements and limitations shall preempt all other height limitations as required by the Town of North Hampton Zoning Ordinance and shall apply only to telecommunications facilities.

	New Tower Construction	Co-location on Preexisting Tower	Co-location on Existing Structure
Wireless Telecommunications Facilities District	180'	Current Height + 20%	Current Height + 40'

- C. **Amateur Radio; Receive-Only Antennas.** This ordinance shall not govern any tower, or the installation of any antenna that is under 70 feet in height and is owned and operated by a federally-licensed amateur radio station operator or is used exclusively for receive only antennas. This application adopts the provisions and limitations as referenced in RSA 674:16, IV.
- D. **Essential Services & Public Utilities.** Wireless telecommunications facilities shall not be considered infrastructure, essential services, or public utilities, as defined or used elsewhere in the Town's ordinances and regulations. Siting for telecommunication facilities is a use of land, and is addressed by this article.

415.5 Construction Performance Requirements

- A. **Aesthetic and Lighting.** The guidelines in this subsection, shall govern the location of all towers, and the installation of all antennas. However, the Planning Board may waive these requirements only if it determines that the goals of this ordinance are better served thereby.
1. Towers shall either maintain a galvanized steel finish, subject to any applicable standards of the FAA, or be painted a neutral color, so as to reduce visual obtrusiveness.
 2. At a tower site, the design of the buildings and related structures shall, to the extent possible, use materials, colors, textures, screening, and landscaping that will blend the tower facilities with the natural setting and built environment. These buildings and facilities shall also be subject to all other Site Plan Review Regulation requirements.
 3. If an antenna is installed on a structure other than a tower, the antenna and supporting electrical and mechanical equipment must be of neutral color that is identical to, or closely compatible with, the color of the supporting structure so as to make the antenna and related equipment as visually unobtrusive as possible.
 4. Towers shall not be artificially lighted, unless required by the FAA or other applicable authority. If lighting is required, the governing authority may review the available lighting alternatives and approve the design that would cause the least disturbance to the surrounding views.
 5. Towers shall not contain any permanent or temporary signs, writing, symbols, or any graphic representation of any kind.
- B. **Federal Requirements.** All towers must meet or exceed current standards and regulations of the FAA, FCC, and any other agency of the federal government with the authority to regulate towers and antennas. If such standards and regulations are changed, then the owners of the towers and antennas governed by this ordinance shall bring such towers and antennas into compliance with such revised standards and regulations within six (6) months of the effective date of such standards and regulations, unless a more stringent compliance schedule is mandated by the controlling federal agency. Failure to bring towers and antennas into compliance with such revised standards and regulations shall constitute grounds for the removal of the tower or antenna, as abandoned, at the owners expense through the execution of the posted security.
- C. **Building Codes-Safety Standards.** To ensure the structural integrity of towers and antennas, the owner of a tower shall ensure that it is maintained in compliance with standards contained in applicable local building codes and the applicable standards for towers that are published by the Electronic Industries Association, as amended from time to time. If, upon inspection, the Town concludes that a tower fails to comply with such codes and standards and constitutes a danger to persons or property, then upon notice being provided to the owner of the tower, the owner shall have 30 days to bring such tower into compliance with

such standards. If the owner fails to bring such tower into compliance within 30 days, such action shall constitute an abandonment and grounds for the removal of the tower or antenna, as abandoned, at the owners expense through execution of the posted security.

415.6 Additional Requirements for Wireless Telecommunications Facilities

These requirements shall supersede any and all other applicable standards found elsewhere in Town ordinances or regulations that are less strict.

A. Setbacks and Separation

1. Towers must be set back a distance equal to 125% of the height of the tower from any off-site residential structure.
2. Tower, guys, and accessory facilities must satisfy the minimum zoning district setback requirements.

B. Security Fencing

Towers shall be enclosed by security fencing not less than six feet in height and shall also be equipped with an appropriate anti-climbing device.

C. Landscaping

1. Towers shall be landscaped with a buffer of plant materials that effectively screens the view of the tower compound from adjacent residential property. The standard buffer shall consist of a landscaped strip at least 10 feet wide outside the perimeter of the compound.
2. In locations where the visual impact of the tower would be minimal, the landscaping requirement may be reduced or waived entirely.
3. Existing mature tree growth and natural land forms on the site shall be preserved to the maximum extent possible. In some cases, such as towers sited on large wooded lots, natural growth around the property may be deemed a sufficient buffer.

415.7 Conditional Use Permits

- A. General: All applications under this ordinance shall apply to the Planning Board for Site Plan Review, in accordance with the requirements as provided for in the Town's Site Plan Review Regulations. In addition, applications under this ordinance shall also be required to submit the information provided for in this section.
- B. Issuance of Conditional Use Permits: In granting the Conditional Use Permit, the Planning Board may impose conditions to the extent the Board concludes such conditions are necessary to minimize any adverse effect of the proposed tower on adjoining properties.

1. Procedure on application: The Planning Board shall act upon the application in accordance with the procedural requirements of the Site Plan Review Regulations.

2. Decisions: Possible decisions rendered by the Planning Board, include approval, conditional approval, or denial. All decisions shall be rendered in writing, in accordance with RSA 676:3 as cited in Section 703 of the Zoning Ordinance. In accordance with the National Wireless Telecommunications Siting Policy - Section 332(c)(47 U.S.C. 332(c)), a denial shall be based upon substantial evidence contained in the written record.

3. Factors Considered in Granting Decisions:

a. Height of proposed tower or other structure does not exceed that which is essential for its intended use and public safety.

b. Proximity of tower to residential development or zones.

c. Nature of uses on adjacent and nearby properties.

d. Surrounding topography.

e. Surrounding tree coverage and foliage.

f. Design of the tower, with particular reference to design characteristics that have the effect of reducing or eliminating visual obtrusiveness.

g. Proposed ingress and egress to the site.

h. Availability of suitable existing towers and other structures as discussed in Section 415.7 - D-4.

I. Visual impacts on view sheds, ridge lines, and other impacts by means of tower location, tree and foliage clearing and placement of incidental structures.

j. That the proposed facility/tower/dish will not unreasonably interfere with the view from any public park, natural scenic vista, historic building or major view corridor.

k. That the proposed facility/tower/dish is not constructed in such a manner as to result in needless height, mass, and guy-wire supports.

C. Plan Requirements: Each applicant requesting a Conditional Use Permit under this ordinance shall submit a scaled plan in accordance with the Site Plan Review Regulations and further information including:

1. A scaled elevation view; this shall be a 3-dimensional perspective color-rendered drawing of the proposed site and abutters property and buildings up to a radius of ½ mile.

2. Topography
3. Radio frequency coverage
4. Tower height requirements
5. Setbacks adjacent uses (up to 200' away) location of all buildings and structures within 500 feet of proposed tower
6. Driveways and parking
7. Fencing
8. Landscaping

D. Information Required: In order to assess compliance with this ordinance, the Planning Board shall require the applicant to submit the following prior to any approval by the Board:

1. The applicant shall submit written proof that the proposed use/facility complies with the FCC regulations on radio frequency (RF) exposure guidelines.
2. The applicant shall submit written proof that an evaluation has taken place, as well as the results of such evaluation, satisfying the requirements of the National Environmental Policy Act (NEPA) further referenced in applicable FCC rules. If an Environmental Assessment (EA) or an Environmental Impact Statement (EIS) is required under the FCC rules and NEPA, submission of the EA or EIS to the Board prior to the beginning of the federal 30 day comment period, and the Town process shall become part of the application requirements.
3. Each applicant for an antenna and or tower shall provide to the Planning Board an inventory of its existing towers that are within the jurisdiction of the Town and those within two miles of the border thereof, including specific information about the location, height, design of each tower, as well as economic and technological feasibility for co-location on the inventoried towers.

The Planning Board may share such information with other applicants applying for approvals or conditional use permits under this ordinance or other organizations seeking to locate antennas within the jurisdiction of the governing authority, provided, however that the Planning Board is not, by sharing such information, in any way representing or warranting that such sites are available or suitable.

4. If the applicant is proposing to build a new tower, the applicant shall submit written evidence demonstrating that no existing structure can accommodate the applicant's proposed antenna. This evidence may consist of:

- a. Substantial evidence that no existing towers or structures are located within the geographic area required to meet the applicant's engineering requirements, provided that a description of the geographic area required is also submitted.
 - b. Substantial evidence that existing towers are not of sufficient height to meet the applicant's engineering requirements, and why.
 - c. Substantial evidence that the existing towers or structures do not have sufficient structural strength to support applicant's proposed antenna and related equipment.
 - d. Substantial evidence that applicant's proposed antenna would cause electromagnetic interference with the antenna on the existing towers or structures, or the antenna on the existing towers or structures would cause interference with the applicant's proposed antenna.
 - e. Substantial evidence that the fees, costs, or contractual provisions required by the owner in order to share the existing tower or structure are unreasonable. Costs exceeding new tower development are presumed to be unreasonable.
 - f. Substantial evidence that the applicant can demonstrate other limiting factors that render existing towers and structures unsuitable.
 - g. Information on how many wireless facility sites each provider will require.
 - h. Information on what sites outside of the Town of North Hampton are being considered for other sites.
 - I. Information on how future technology reduce or eliminate the need for tall antenna sites.
 - j. Information on how the siting of a wireless facility affects the ability to allow a competitor's antennas on the same property.
 - k. Information on whether any, or all, of the wireless carriers use the system known as CMI/HIC which utilizes cable television lines and small transceivers mounted on utility poles to communicate with wireless telephones.
 - l. Information on whether there are any of the carriers using CIM/HIC in other cities and towns.
 - m. Information on whether it is feasible for carriers to locate base station equipment underground.
5. The applicant proposing to build a new tower, shall submit an agreement with the Town that allows for the maximum allowance of co-location upon the new structure. Such

statement shall become a condition to any approval. This statement shall, at a minimum, require the applicant to supply available co-location for reasonable fees and costs to other telecommunications providers. Failure to provide such an agreement is evidence of the applicant's unwillingness to cooperate with the orderly and well-planned development of the Town of North Hampton.

415.8 Bonding, Security and Insurance

Recognizing the extremely hazardous situation presented by abandoned and un-monitored towers, the Planning Board shall set the form and amount of security that represents the cost for removal and disposal of abandoned towers in the event that the tower is abandoned and the tower owner is incapable and unwilling to remove the tower in accordance with Section 415.9. Upon construction of the tower, the Planning Board shall also require a certificate of appropriate insurance covering the constructed facilities, with ten day notice of any changes in coverage.

415.9 Removal Of Abandoned Antennas And Towers

Any antenna or tower that is not operated for a continuous period of 12 months shall be considered abandoned and hazardous to the public health and safety, unless the owner of said tower provides proof of quarterly inspections. The owner shall remove the abandoned structure within 90 days of receipt of a declaration of abandonment from the Town notifying the owner of such abandonment. A declaration of abandonment shall only be issued following a public hearing, noticed per Town regulations, with notice to abutters and the last known owner/operator of the tower. If the abandoned tower is not removed within 90 days the Town may execute the security and have the tower removed.

If there are two or more users of a single tower, this provision shall not become effective until all users cease using the tower.

415.10 Consultant Fees

The Board may retain the services of a consultant qualified in wireless telecommunications services to review the application and all associated information. The Board may further require, pursuant to RSA 676:4 I(g), that the applicant reimburse the Town for reasonable costs of this review. No application shall be approved until such fees, if applicable, are paid in full.

415.11 Waivers

Where the Board finds that extraordinary hardships, practical difficulties, or unnecessary and unreasonable expense would result from strict compliance with the foregoing regulations or the purposes of these regulations may be served to a greater extent by an alternative proposal, it may approve waivers to these regulations. The purpose of granting waivers under provisions of these regulations shall be to insure that an applicant is not unduly burdened as opposed to merely inconvenienced by said regulations. The Board shall not approve any waiver(s) unless a majority of those present and voting shall find that *all* of the following apply:

- A. The granting of the waiver will not be detrimental to the public safety, health or welfare or injurious to other property and will promote the public interest.
1. The waiver will not, in any manner, vary the provisions of the North Hampton Zoning Ordinance, North Hampton Master Plan, or Official Maps
 2. Such waiver(s) will substantially secure the objectives, standards and requirements of these regulations.
 3. A particular and identifiable hardship exists or a specific circumstance warrants the granting of a waiver. Factors to be considered in determining the existence of a hardship shall include, but not be limited to:
 - a. Topography and other site features
 - b. Availability of alternative site locations
 - c. Geographic location of property
 - d. Size/magnitude of project being evaluated and availability of co-location
- B. Conditions. In approving waivers, the Board may impose such conditions as it deems appropriate to substantially secure the objectives of the standards or requirements of these regulations.
- C. Procedures. A petition for any such waiver shall be submitted in writing by the applicant with the application for Board review. The petition shall state fully the grounds for the waiver and all of the facts relied upon by the applicant. Failure to submit petition in writing shall require an automatic denial."

ARTICLE VII.

(ON THE OFFICIAL BALLOT)

Are you in favor of the adoption of Amendment No. 2 as proposed by the planning board for the to zoning ordinance as follows:

To see if the Town will vote to amend Article IV District Regulations, Section 413 - Critical and Unique Area Regulations, of the Zoning Ordinance by deleting Sections 413.2, 413.3 and 413.4 and inserting a new Section 413.2 to read as follows:

"413.2 The Planning Board shall appoint an Heritage Commission in accordance with RSA 674:44-a and RSA 674:44-b, which shall assist in the identification and recording of the above mentioned Historic Sites and shall assume the powers and duties of the Historic District Commission which it replaces. Said Heritage Commission shall consist of five members appointed by the Planning Board with the approval of the Selectmen."

Are you in favor of the adoption of Amendment No. 3 as proposed by the planning board for the town zoning ordinance as follows:

To see if the Town will vote to amend ARTICLE V - GENERAL REGULATIONS, Section 505 Temporary Structures, of the Zoning ordinance by replacing it with a new Section 505, Temporary Structures, to read as follows:

Article III, Section 302.33

33. Temporary Structure: Any structure not on a permanent foundation or slab or not permanently attached in any manner. Said structure to be used for a specified period of time.

Section 505 Temporary Structures

TEMPORARY STRUCTURES

505.1 One or more temporary structures shall be allowed, in the discretion of the building inspector, in conjunction with construction and only during the period that construction work is in progress. The permit allowing the construction shall note approval of any temporary structure.

505.2 Except as provided in section 505.1, all temporary structures shall meet the setback requirements for permanent primary buildings and comply with the substantive provisions of the Site Plans Review Regulations of the Town of North Hampton. Prior to placing of said structures, a permit costing \$25.00 for each structure shall be obtained from the building inspector. No temporary structure permit shall last longer than one year from the date of issuance, and shall, subject to the provisions of this section, be renewable.

505.3 Any vehicle, whether or not powered, on wheels, or licensed, and not used for transportation, shall be considered to be a temporary structure. Such structures may be used only for storage and shall not be open to customers or the general public.

505.3 (a) In the industrial zone, each lot may have one vehicle as described in Section 505.3 for periods not to exceed 90 days annually. A permit costing twenty five dollars (\$25.00) shall be required for each use. An application for a temporary structure permit shall be submitted to the building inspector, and the permit will be issued only after the building inspector has determined that the proposed structure will not be detrimental to the area.

505.3 (b) The Planning Board may, in its discretion and subject to all setback requirements, approve the use of such structures in greater number or longer periods of time, after a complete site plan review process. The structures may or may not be considered permanent, depending on the decision of the Planning Board. No such structure whether considered temporary or permanent, shall be placed on any property until after planning board approval and issuance of a building permit. The final approval from the Planning Board will state all restrictions, and those restrictions will be transferred to the building permit and enforced by the building inspector.

505.4 Temporary structures may be placed in the Industrial Business Zone for display purposes for resale, or as a display model for the sale of similar structures for a period not to exceed one year. Said structures shall meet all the setback requirements for permanent primary buildings, and may be heated and have telephone and electricity but shall not have water or sewerage disposal or holding facilities. Prior to placing of said structures, a permit costing \$25.00 for each structure shall be obtained from the Building Inspector who shall certify to the safety of the structure before the public is admitted. Permits may be renewed annually, for a maximum of four years, after which the temporary structure must be completely removed. The annual renewal fee is \$100.00.

505.5 Temporary structures, including but not limited to tents, constructed of expendable materials, may be placed in the Industrial Business Zone for short special sales or promotional activities, for a period not to exceed one week. Not more than three such special permits may be issued for the same property during any calendar year and the weeks shall not be consecutive. Prior to placing of said structure, a permit costing \$25.00 for each structure shall be obtained from the Building Inspector, who shall certify to the safety of the structure before the public is admitted.

505.6 Application for a temporary structure permit as required in sections 505.2, 505.2(a) 505.4 and 505.5, must be filled out and submitted to the building inspector two weeks prior to the first Monday of the month.

505.7 Residing in any temporary structure or a basement or foundation before completion of a permanent structure shall not be permitted.

505.8 The building inspector will issue a fine of \$100.00 for any violation of this ordinance. Any property that receives more than one violation in any calendar year will have its` privileges under this ordinance revoked for twelve months.

505.9 No part of section 505.5 shall apply to manufactured housing or to recreational vehicles as defined in section 302 and regulated in sections 5034 and 504.

ARTICLE IX.

(ON THE OFFICIAL BALLOT)

Shall we modify the elderly exemptions from property tax in the town of North Hampton based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years \$40,000, for a person 75 years of age up to 80 years, \$60,000, for a person 80 years of age or older, \$80,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$13,400, or if married, a combined net income of less than \$20,400; and own net assets not in excess of \$35,000 excluding the value of the person's residence.

ARTICLE X.

To see if the Town will vote to adopt the provisions of RSA 202-A:4-d authorizing the Library Trustees to accept gifts of personal property, other than money, which may be offered to the Library for any public purpose, provided, however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property.

ARTICLE XI.

On petition of Richard W. Ingram and at least twenty-five (25), other registered voters of the Town of North Hampton to see if the town will vote to authorize and direct the selectmen to more fully implement the "Organizational Review of the Police Department" dated December 19, 1996, prepared by Charles D. Reynolds for the Town of North Hampton, by among other steps, reinstating Frank Beliveau as Chief of Police of the town.

ARTICLE XII.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate the sum of Twenty Three Thousand Dollars (\$23,000) to repair Woodland Road bridge and to be funded from the fund balance as of June 30, 1997.

ARTICLE XIII.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to establish a Capital Reserve Fund under provisions of RSA 35:1 for the purpose of Road Reclamation and to raise and appropriate One hundred Fifty Thousand Dollars (\$150,000) to be placed in this fund and to be funded from the fund balance as of June 30, 1997.

ARTICLE XIV.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate Seven Thousand Five Hundred Dollars (\$7,500) to be added to Tennis Courts Capital Reserve Fund.

ARTICLE XV.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate Twenty Thousand Two Hundred Twenty Five Dollars (\$20,225) for the purchase of a Police Cruiser.

ARTICLE XVI.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to approve the cost item included in the collective bargaining agreement reached between the Town of North Hampton and International Brotherhood of Teamsters, Local No. 633 which calls for the following increases in salaries and benefits:

Year	Estimated Increase
1995-96	\$ 5,600
1996-97	\$18,006
1997-98	\$38,324

and to raise and appropriate the sum of Sixty One Thousand Nine Hundred Thirty Dollars (\$61,930) to cover these costs.

ARTICLE XVII.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate Fifteen Thousand Nine Hundred Seventy Seven Dollars (\$15,977) for second and third year payments of the Lease Purchase Agreement for Fire Department Explorer.

ARTICLE XVIII.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate Two Hundred Sixteen Thousand Dollars (\$216,000) for the purchase of a pumper fire truck for the Fire Department and to authorize the Selectmen to withdraw Thirty Five Thousand Two Hundred Fifty Dollars (\$35,250) plus interest to date of withdrawal from Fire Department - New Fire Apparatus and Equipment Accounts and balance of One Hundred Eighty Thousand Seven Hundred Fifty Dollars (\$180,750) to be funded from the fund balance as of June 30, 1997.

ARTICLE XIX.

(RECOMMENDED BY SELECTMEN & BUDGET COMMITTEE)

To see if the Town will vote to raise and appropriate Fifty Thousand Dollars (\$50,000) for Street Lighting Proposal and to be funded from the fund balance as of June 30, 1997.

ARTICLE XX.

MASTER ARTICLE

(RECOMMENDED BY THE BUDGET COMMITTEE)

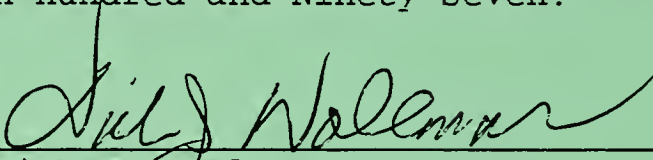

To see if the Town will vote to raise and appropriate the sum of TWO MILLION FOUR HUNDRED THIRTY THREE THOUSAND SIX HUNDRED FIFTY THREE DOLLARS, \$2,433,653 which represents the bottom line of the proposed budget (MS-7). Said sum is exclusive of all special articles addressed.

ARTICLE XXI.

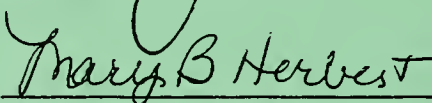

To transact any other business that may legally come before this meeting.

Given under our hands and seals this 12 day of February, in the year of our Lord, Nineteen Hundred and Ninety Seven.

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 24

BUDGET OF THE TOWN

OF North Hampton N.H.

Appropriations and Estimates of Revenue for the Ensuing Year January 1, _____ to December 31, _____ or
for Fiscal Year From July 1, 1997 to June 30, 1998

IMPORTANT: Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address above.

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

Budget Committee: (Please sign in ink.)

Date Feb. 11, 1997

TOWN OF NORTH HAMPTON
SCHOOL DISTRICT WARRANT
Election of Officers - 1997
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON TOWN HALL IN SAID DISTRICT ON TUESDAY THE 11th OF MARCH, 1997 AT EIGHT O'CLOCK IN THE MORNING TO VOTE FOR DISTRICT OFFICERS.

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose one School Board Member for the ensuing three years.
5. To see if the District will adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the School District. (BY PETITION)

POLLS WILL NOT CLOSE BEFORE 7:00 P.M.

The foregoing procedure calling for election of your District Officers at the Annual Town Meeting is authorized by Statute (RSA 671:2) and was adopted by the District at its 1970 Annual Meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID NORTH HAMPTON THIS 11th DAY OF FEBRUARY, 1997.

William A. Hickey, Jr. Chairperson

SCHOOL DISTRICT WARRANT
1997

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NORTH HAMPTON ELEMENTARY SCHOOL GYMNASIUM ON SATURDAY THE 22ND OF MARCH, 1997 AT 8:30 O'CLOCK IN THE MORNING TO ACT UPON THE FOLLOWING SUBJECTS:

Notice: School District Officers will be elected at the Town Meeting (North Hampton Town Hall, March 11, 1997. Polls open at 8:00 A.M. and close at 7:00 P.M.) in accordance with the Statutory Election Procedures adopted by the District at its March 1970 Annual Meeting.

1. To see if the school district will vote to raise and appropriate the sum of \$21,500 (Twenty-One Thousand Five Hundred Dollars) to replace deteriorated single pane windows of the school building with energy efficient double pane windows and to purchase blinds for the new windows. The school board and the budget committee recommend this appropriation. (Majority vote required.)

2. To see if the school district will vote to raise and appropriate the sum of \$40,000 (Forty Thousand Dollars) to fund a deficit in the 1996-97 school district budget for special education needs that were unforeseen during budget preparation. The school board and the budget committee recommend this appropriation. (Majority vote required.)

3. To see what sum of money the school district will raise and appropriate for the support of schools, for the salaries of School Officials and Agents, and for the payment of statutory obligations of the District.

4. To see if the school district shall adopt the Code of Ethics as approved by the Town of North Hampton at the 1995 Town Meeting. (BY PETITION)

5. To see what action the school district will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

6. To transact any other business that may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID NORTH HAMPTON THIS 11TH DAY OF FEBRUARY, 1997.

POLICE DEPARTMENT

The officers of the North Hampton Police Department continued to provide a professional and quality service to the citizens of North Hampton during the past year.

There was an overall increase in activity this year when compared with past years. Traffic activity had the largest increases.

Officer Maclean will be instructing DARE at the North Hampton School during the up coming year and looks forward to working with our youth on this very important issue.

On behalf of the North Hampton Police Department I would like to thank the citizens of North Hampton for your continued support.

The following is a break down of our activity during 1996.

Total Incidents	6463	Other Arrests	108
Alarm Responses	455	Total Arrests	159
Assaults	40	Public Peace*	42
Bad Checks	21	Sex Offenses	7
Bomb Threats	3	Stolen Vehicles	14
Burglary	16	Suicide	1
Criminal Mischief	57	Theft	112
Domestic Problems	37	Unattended death	6
Found/Lost Property	69	Weapons Permits	35
Juvenile Cases	38		
MV Accidents	178		
Fatal Accidents	1		
MV Arrests	51		
MV Citations	525		
MV Warnings	1613		

*Public Peace category includes Disorderly Conduct, Stalking, Harassment, and Criminal Trespass.

Revenues July - Dec 1996

Court Receipts	\$386.32

Parking Tickets	620.00
Pistol Permits	70.00
Hawker's & Peddlers Permits	530.00
Total	<u>\$2,210.32</u>

Respectfully submitted,
Chief Frank A. Beliveau

Report of North Hampton Fire & Rescue

The Fire and Rescue Department responded to 573 emergency requests in 1996. This represents an increase of over 40 calls from 1995. These calls include 294 fire/emergency calls and 279 requests for medical aid. Emergency calls break down as follows:

Structural fires	11	CO Detector Activation	10
Fire Alarm Activations	42	Box Alarms	18
Automobile Fires	16	Automobile Accidents	40
Mutual Aid	11	Public Assists	18
Chimney Fires	6	Call for Service	10
Ambulance Assist	19	Assist Police	1
Hazardous Condition	16	Outside Fires	6
Water Problems	20	Smoke/Odor Investigation	20
Wire/Electrical Problems	20	Miscellaneous	10

Medical Aid 279

The 279 medical aid requests produced 283 patient contacts. Of these, 172 people were transported to local hospitals while receiving definitive pre-hospital care at the basic, intermediate and paramedic skill level.

The Fire and Rescue service continues to evolve. We changed our name in August of 1996 to 'Fire and Rescue' to better reflect the services offered the residents and visitors of our Town. During 1996, we completed the certification training in our three year hazardous material training program, bringing all members of the department to the Haz-Mat Decontamination Level. This level allows our members to assist the recently organized "S.T.A.R.T." hazardous material response team in the event of an incident in North Hampton.

In the past year many other projects were conceived and/or finished. The former highway department pick-up truck was converted to a forestry unit by our personnel, replacing the 1956 Dodge and 1954 Willys trucks. A Smoke Evac system was purchased and installed in the bay to remove the exhaust from the operation of vehicles in-doors, creating a healthier work environment. And in the most multitudinous of endeavors, a committee was formed representing a cross section of the department to plan and review specifications for a new rescue/pumper truck. This committee recorded over two hundred man hours in creating model specifications for a safe and technically complete vehicle that will serve the Town well into the next century.

In addition to the on-going training and special projects, the in-service inspection program consumes a large part of our time. In 1996, there were 36 place of assembly inspections, 29 oil burner inspections, 39 fire alarm service calls and 303 permits for outside burning. Also the Hampton Falls Fire Department was dispatched 139 times.

Fire Safety Education of the young and old remains a top priority. The Learn Not To Burn program at North Hampton School continues to receive our support and encouragement, integrating fire safety into all aspects of the curriculum.

Respectfully,

Thomas S. Lambert

Report of the Town of North Hampton's Highway Department and Recycling Center

During the year 1995-96 there were 33 snow storms with an approximate accumulation of 112.5 inches of snow plus 9 rain and freezing rain storms.

Summer maintenance consisted of the usual patching of potholes, grading shoulders, mowing commons, Dearborn Park, trimming and grooming of roadsides, picking up litter, chipping brush, turning and mixing compost, installation of metal guard rails along with replacing posts to old ones. A new 36 inch culvert was installed on North Road.

Our paving program consisted of leveling and overlaying River Road, Woodland Road south of Atlantic Avenue and a short section of Mill Road. Time was spent at the recycling center baling and loading material for market.

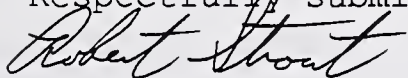

147.5 tons of material was processed and shipped to market. With the fluctuating prices we brought in \$13,897.80. Add the revenue to the \$6,627.60 cost avoidance, between the two the revenues and savings for the year was \$20,525.40.

The budget appropriation was \$21,721.68 leaving the figure of \$1,196.28 to run the recycling center for the year.

The Board of Selectmen , Solid Waste Committee along with myself thank all the volunteers that took time out of their busy schedules to help out. Special thanks goes to the eighth grade class of the North Hampton Elementary School who spent numerous hours with their chaperones at the center under their Community Service program. Also thank you to George Frenette for his help on Wednesdays.

Anyone who wishes to help out at the center or has any suggestions, please call the Road Agent or a committee member.

Respectfully submitted,

Robert Strout
Road Agent

CONSERVATION COMMISSION REPORT FOR 1996-1997

This has been a most productive year for your Commission as we continued our efforts, through acquisition and conservation easement, to place land aside for future generations. Currently, within the town, there are approximately 555 acres under permanent protection, as almost 100 acres were inventoried this past year.

It is a common misconception that development, and therefore growth in the tax base, equals lower taxes. Open space is being looked at in whole new light these days by planners and enlightened local public officials. Recent economic studies are demonstrating that open space can and very often is an economic asset, leading towns to plan more intensely than ever before for protection of developable open-space lands and to consider significant investments in local land-protection efforts. In studies conducted in several New Hampshire communities, it has been conclusively shown that median-valued homes are taxed less in towns with more undeveloped land per year-round resident. Further, in an extensive Cost-of-Community-Service Study conducted in Connecticut, Massachusetts and Rhode Island, the findings confirmed that for every dollar of tax revenue, the associated community costs were: Residential, \$1.14, Commercial-Industrial, \$.43; and Open Space, \$.42.

If one needs a graphic illustration as to why are efforts are important to the general welfare and safety of the town, we only ask you to turn back the clocks to the weekend of October 21st to 23d. According to two of our local weather-watchers, we received some 15 inches of rain. Basements flooded; streets were impassable; houses had to evacuated as water rose into their living quarters; and, in general, life came almost to a stand-still. In fact, in reviewing the perimeters of some of the flooded areas, the waters exceeded the 500 year flood stage as defined by the U. S. Government.

The Commission worked closely with the Corps. of Engineers and New Hampshire Department of Transportation to facilitate the obtaining of the emergency permits which allowed the southern terminus of the Little River to be opened, allowing Little River Marsh to properly drain. It is towards the long term solution to not only the drainage problem, but the returning of our marshes to salt water flushing, that has occupied much of our effort during this year. Plans are still being developed and coordinated through a myriad of public and private agencies. We hope an engineering study to be completed soon, with cost estimates, so that we can move forward with this important project.

Much of the total acreage in our town is classified as "open space" and it continues to be your Commission's goal to garner as much of this ecologically valuable asset under easement or ownership as possible. Any member would be glad to discuss this with you.

Respectfully Submitted,

Nelson J. Burge, Chairman

RECREATION COMMISSION

TOWN OF NORTH HAMPTON
NEW HAMPSHIRE 03862

North Hampton Recreation Commission Annual Report 1996

The past year has seen several changes and improvements to the town's recreation program. Our new part-time recreation director, Tim Bailey, has taken over the coordination of all adult and most children's activities and classes. Tim is also a staff member of the Portsmouth Recreation Department which enables him to combine some activities and special trips with other towns. Through his efforts we are able to offer more activities that would otherwise be cost prohibitive. A list of all the town's recreation activities is printed periodically in the local newspapers. A quarterly recreation flier is also distributed through the school and copies are available at the town hall, library, and various store locations throughout the town. For those of you who would like to contact Tim, his office hours in the town hall are Fridays from 9 AM until 12 PM. His office phone number is 964-1544.

Our children's summer recreation program had another successful year with over 175 children enrolled in the program. This past summer the six week program was held at Dearborn Park due to the construction at the school. We anticipate having to use the same location again next summer. Allison Cohen, our current summer recreation director, will be leaving us next summer. We are confident that we will have a suitable replacement for her to head the program.

Improvements to Dearborn Park continue at a steady pace. In the past year we have repaired sections of the tennis court fence and the basketball backboards. We have also installed permanent basepaths on the second ballfield at the park. Our continued thanks to Mike Fritz and others who have contributed their time and equipment. We will soon be soliciting bids from private contractors to maintain the grass at the park. As of next July the town will no longer be providing this service.

The recreation commission meets monthly in the town library. The proposed agenda is posted at the town hall prior to meetings. Residents are always welcome as your comments and suggestions help make your town's recreation program more enjoyable.

INDEPENDENT AUDITOR'S REPORT

September 26, 1996

Board of Selectmen
Town of North Hampton
North Hampton, New Hampshire 03837

We have audited the accompanying general purpose financial statements of the Town of North Hampton, New Hampshire as of and for the year ended June 30, 1996. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group, which should be included in order to conform with generally accepted accounting principles. The amounts that should be recorded as general fixed assets are not known.

As described more fully in Note 1 to the general purpose financial statements, the Town does not accrue the current portion of accumulated sick pay in the General Fund in accordance with generally accepted accounting principles. The long-term portion is also not reported in the General-Long Term Debt Account Group. The effect on the general purpose financial statements of this departure from generally accepted accounting principles cannot be determined.

In our opinion, except for the effect on the financial statements of the omission described in the third paragraph and except for the effects of the matters discussed in the fourth paragraph, the general purpose financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of the Town of North Hampton, New Hampshire as of June 30, 1996 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

PRACTICE SECTION

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements listed as Supporting Schedules in the Table of Contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of North Hampton, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

REPORT OF THE ANNUAL NORTH HAMPTON
SCHOOL DISTRICT MEETING
MARCH 23, 1996

A meeting of the Inhabitants of the School District in the Town of North Hampton, in the County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs was held March 23, 1996, at the North Hampton Elementary School.

At 8:40 am on the 23rd day of March, 1996, the annual North Hampton School District Meeting was called to order by Acting Moderator Bill Boesch. Mr. Boesch then introduced the School Principal Barbara Tague. Principal Tague then introduced several students that volunteered to lead the meeting in the Pledge of Allegiance. Acting Moderator Boesch continued by explaining that he was filling in for Paul Cuetara who could not be there for the entire meeting. Acting Moderator Boesch then introduced School District Clerk, Delores Chase, and School Board Chairman, Cynthia Harvell, who then introduced the other School Board members, Patty Flaherty, and William Hickey. Cynthia Harvell then introduced Superintendent of Schools, James H. Weiss, Assistant Superintendent, Fred Engelbach, School District Attorney, Peter Sarni, the Architect and Construction Manager that the School Board has been working with.

Mr. Boesch, then proceeded to discuss protocol for the meeting, rules for amendments, how questions will be handled, and how the Chair was to be addressed.

Mr. Boesch requested a hand vote to accept these rules

VOTE BY SHOW OF HAND - RULES ACCEPTED

Mr. Boesch began reading the warrant as follows:

Note: Articles 1 and 2 pertain to renovations to and expansion of the North Hampton Elementary School building. Article 1 is a comprehensive plan addressing all needs. Article 2 is a first phase which addresses some of the needs; a second phase will be required in a future bond issue. These articles are offered as alternates. If Article 1 is adopted, Article 2 will not be voted on.

1. To see if the school district will vote to raise and appropriate the sum of \$4,780,000 (Four Million Seven Hundred Eighty Thousand Dollars) for construction of additions to the existing school building, for site development, for architectural and other service fees, and for any other items incidental to or necessary for the construction/renovations; up to \$4,780,000 (Four Million Seven Hundred Eighty Thousand Dollars) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 *et seq.*, as amended; to authorize the school board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said

project; to authorize the school board to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof, and to authorize the school board to take any other action or to pass any other vote relative thereto. (The school board and the budget committee recommend this appropriation.) (2/3 ballot vote required.)

Cynthia Harvell moved that the Article be accepted as read, Ms. Flaherty seconded. A School Board presentation followed. After the presentation discussion followed.

VOTE BY SECRET BALLOT - YES: - 468 NO - 187-ARTICLE PASSED
(2/3 Majority needed - 437 votes were required for Article to pass, polls were open from 11:05 am to 12: 10 pm)
(Vote counted by: Edgar Hobby, Richard Crowley, Shirley Carter, John Downey, and Arthur Nadeau

With the passage of Article 1 Mr. Boesch moved on to Article 4.

4. To see if the school district will vote to raise and appropriate the sum of \$20,000 (Twenty Thousand Dollars) to replace deteriorated single pane windows of the school building with energy efficient double pane windows. The school board and the budget committee recommend this appropriation. (Majority vote required).

William Hickey moved that the Article be accepted as read, Cynthia Harvell seconded. Discussion followed.

VOTE BY SHOW OF HANDS - ARTICLE PASSES

5. To see what sum the school district will raise and appropriate for the support of schools, for the salaries of School Officials and Agents, and for the payment of statutory obligations of the District.

William Hickey moved that the Article be accepted as read, and Patty Flaherty seconded. The amount was announced to be: \$3,328,786

William Hickey read the Section totals of the budget. Discussion followed.

Mary Ulich moved that the sum of \$125,000 not recommended by the budget committee be reinstated into the bottom line of the budget, and was seconded. Discussion followed.

VOTE BY SHOW OF HANDS - YES - 178 No - 94-MOTION PASSES

The vote was then taken on the Total Operating Budget of \$3,453,786.

VOTE BY SHOW OF HANDS - ARTICLE PASSES

6. To see what action the school district will take in relation to reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

Cynthia Harvell moved to accept the reports as written, William Hickey seconded.

VOTE BY SHOW OF HANDS - ARTICLE PASSES

7. To transact any other business that may legally come before said meeting.

Cynthia Harvell recognized that two people would be leaving their duties. First was Assistant Superintendent, Leon Worthley, and second School District Moderator Paul Cuetara.

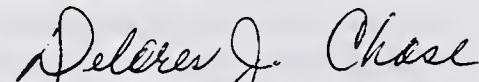

William Hickey recognized Cynthia Harvell for her dedication to the school board for six years.

John Larkin moved that the School Board adopt the same code of ethics as the Selectmen. Mr. Boesch called the motion out of order because it was an item to be address by a warrant article.

Dick Wollmar stated that none of the candidates who ran were involved in the election campaign problems.

Mr. Boesch thanked the audience for the civilized way the meeting was handled and adjourned the meeting at 1:50pm

Respectfully submitted,

Delores J. Chase, School Clerk
North Hampton School District

I certify this to be a true copy of the minutes of the
1996 North Hampton School District Meeting.

YES - 579 NO - 463 - DEFEATED
(Required 3/5ths Vote)

I certify this to be a true and official record of the 1996 Election of Officers of the North Hampton School District.

Respectfully Submitted,

Delores J. Chase, School District Clerk
North Hampton School District

SUPERINTENDENT'S ANNUAL REPORT 1996-97

This Superintendent's Annual Report for the North Hampton School District truly offers an upbeat picture of the 1996-97 school year. While many important events occurred during the year, the school's \$4.5 million addition and renovation project clearly is the most meaningful. As a result of the project, new classrooms, a new media center and computer room, a new kitchen and cafeteria, and a new gym are available for student and community use. Additionally, the main office has been relocated to offer better security, and needed improvements such as an elevator have been added. Special thanks must go out to the students, teachers and the community at large for patience during the construction.

One of the main reasons for the building project--growth--continues to be a focal point of activities at North Hampton School. Over the past five years, the student enrollment has increased by almost 30 percent totalling over 500 students. Additional staff and materials have been added to meet the needs of this ever-increasing population. The numbers of special education students has likewise grown especially at the pre-school level requiring additional programming and staffing.

Educationally, 1996-97 has been declared the year of Alternative Assessment as the staff enters Phase V of its Staff Development Plan. The focus is upon building quality standards and applying the tenets of the Education by Design and Project Read Programs in all classrooms. Staff has also carefully reviewed the results of the New Hampshire Educational Improvement and Assessment Program at the end of Grades 3 and 6 to better prepare our students for future education.

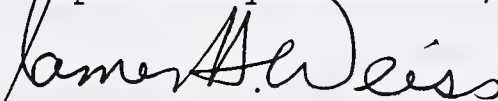

At the SAU level, several significant changes occurred over the year with the retirement of long-time Assistant Superintendent Leon Worthley. First, an SAU-wide committee settled upon Thomas Zarnowski from Keene as the new Assistant Superintendent. Tom brings his many years of experience to the task of coordinating curriculum. Second, this change provided the opportunity for restructuring at the SAU level with the establishment of a Personnel Office staffed by Paula Cushman and Frances Noonan. With this major shift, Tom has been able to focus upon curriculum and the SAU's response to the new New Hampshire Educational Improvement and Assessment Tests given at the end of grades 6 and 10.

The SAU Office was also very busy this year with four major building projects to manage as well as its usual work in the budget and facilities areas. Many hours were spent on preparing for the implementation of the new SB2-Australian Ballot in several communities. While many questions were raised, few good answers were available. Voters in Hampton, Seabrook, and Winnacunnet will have their first experience with this new format in March 1997. Finally, the SAU #21 Joint Board held a two-session retreat to talk, plan and look toward the next century. Many good ideas were generated during this event.

During the year, many changes occurred with staffing at North Hampton School. Peg McEachern took a year's leave of absence, and Special Educator Liz Beaulieu took over her classroom. Replacing Deb Whitney who went off to Southeast Asia to teach was Noreen Forbes. Eric Wigode, Bob Marquis, and Pat Cushing all left school, and new staff included Carol Myatt, Jane Gallagher and Holly Ranks. As of this date, no replacement has been found for Assistant Principal and SPED Director Eric Wigode; however, Richard Klain has helped out with these duties.

While there have been many challenges this year, many positive things have also occurred. The School's PAL group worked countless hours to help students and teachers alike. For the first time, the group received a New Hampshire Volunteer's Blue Ribbon Award for its efforts on behalf of children. The entire community can be proud of this group and what it represents. The community should also be proud of its own efforts on behalf of the children as we move forward into the next century.

Respectfully submitted,

A handwritten signature in cursive script, reading "James H. Weiss". The signature is written in dark ink and is positioned above the printed name and title.

James H. Weiss, Ed.D.
Superintendent of Schools

November 27, 1996

Dear Citizens of North Hampton,

This past year at North Hampton School has been one of many changes and celebrations. The building project, continued success with our curriculum, instructional changes, recognition for our school, and continued growth of our school population are all areas that warrant mentioning.

The building project has been and continues to be one of the most rewarding and challenging undertakings for the children of North Hampton. We are very grateful and look forward to completion and sharing the space with the community.

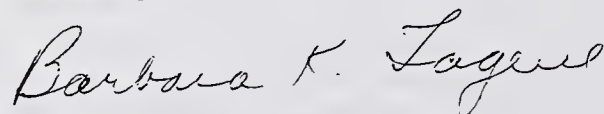

Phase V Staff Development Plan has been one of our most successful endeavors of the 1996-97 school year. Every year a plan is written by staff, parents and administration that continues to address curriculum and instruction improvements for the school. Phase V addresses Assessment and how instruction must change and continue to improve to better prepare the students of North Hampton for the 21st century. The success of this year's plan has been reflected in recognition of the plan, not only by our staff and parents, but throughout New England as well. The staff at North Hampton and parents should be commended for its success and implementation.

Throughout this past year our school and parent group have received recognition or performed in an exceptional manner. PAL (People Active in Learning) received the state of New Hampshire Blue Ribbon Award for developing and managing an outstanding volunteer program. Several staff members have been invited to present workshops on our restructuring efforts. They have given workshops at several SAU #21 schools, including the high school, at the New England League of Middle Schools in Providence, Rhode Island and the University of Southern Maine in Portland, Maine. Other staff have also become published authors or consultants. In addition, our students continue to perform well on various types of testing, such as the Iowa Tests and the New Hampshire Assessment Tests.

Lastly, a key area worthy of comment is the continued growth of our school. During the last six years the population has increased 33% and is still climbing. It is an area that has tremendous impact on the school and how effective and efficient it is run. It is imperative that the population and its impact be addressed so the school's high standards remain in tact.

In closing, I wish to thank the citizens of North Hampton for providing the children of this community with the best possible education they can give. In doing so, you should feel confident that the children at North Hampton will succeed wherever and whatever they choose as their paths for the future.

Sincerely,

A handwritten signature in cursive script that reads "Barbara K. Tague".

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
North Hampton School District
North Hampton, New Hampshire

We have audited the accompanying general-purpose financial statements of the North Hampton School District as of and for the year ended June 30, 1996. These general-purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the North Hampton School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the North Hampton School District, as of June 30, 1996, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the North Hampton School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.
